

Welcome to a new year, we are working these days with many exciting plans for activities, trips, trainings and events and we hope you are ready for another year of great experiences in a kayak. Perhaps this year will bring us our own clubhouse? We hope for a definitive answer on this during this year's first 3 months.

The Christmas gift in 2014 was, as you may know, a gift from Gjensidigestiftelsen who gave us 1.4 million NOK, for our new clubhouse. We will obviously work a lot with this in the coming year and here we will obviously need your help. We hope as many as possible will help contribute this occasion and will of course keep you constantly informed about how this is possible.

Kayaking Place and codes

We have right now waiting lists for available places. New this year is that it will be sent an invoice for these in late January. Optionally available seats can then quickly fill up, it will be easier to change codes and we ensure that only paying members have access to the club's premises and equipment.

The nomination committee is starting its work to find good candidates for the annual meeting held March 12 2015.

Leader Preben Falck member Kristin Hvidsten member Annelise Fossum and deputy Ole Aasvold welcomes input if you are a candidate for a position or whether there are others that you can think to propose. Suggestions sent chair the committee by email: preben (a) stf.no

Grasrotandelen: you can support Stavanger kajakklub in a simple and good way. We hope as many as possible will sign Stavanger kayaking club as its "grasrot" receiver. It costs you nothing and the recipe can be found here:
