

## Stavanger kajakklubb Newsletter March/April 2015

We are getting closer to spring and the traditional inside activities such as the pool and gymnasium are about to be replaced with outside paddle activities on both sea and freshwater.

Wednesday paddling from Sandvigå starts up again on April 15 and on Wednesday April 8 we start the task to establish the new pier on Stokkavannet.

First week after Easter we take a cleanup in the areas around Fjøset and Sandvigå, making it neat and tidy and ready for the summer season and we encourage everyone to participate.

The annual meeting was held 12.3. Summary of the annual meeting is that we have a healthy economy, a growing amount of members, anniversaries CEO extended membership, membership fee adjusted somewhat, new board is elected and we enter an exciting phase of construction of a new clubhouse.

Full Annual protocol can be found on our website:
